**DELIVERY CHARGES:**

**Mail Order to Island of Ireland, 32 counties:**

Cost per parcel is €25.00 – This covers anything up to 30 kg & 2.0 metres in length with delivery within 3 working days.

For larger orders, where possible, we will endeavour to personally deliver your order to you. There is a minimum charge of €40.00 for these deliveries, depending on the weight of the plants and the address.

We can normally make deliveries to most areas of Kerry, Cork, Limerick, Dublin and nearby counties.

**Island of Britain:**

Unfortunately we can no longer send plants to Britain due to the new regulations since the UK left the EU.

**France** – I visit France usually twice a year, normally late March and September. Area covered is Normandy and Brittany. Please pre book your order.

**Order to Europe and the United States:**

We regret that we cannot send plants to Europe and the US. Costs are too prohibitive.
